

STUDENT SUCCESS CONFERENCE

'My Teesside Journey to Success'

Student Success is offering a fantastic opportunity for Teesside students to take part in this year's student conference. The theme of the conference is 'My Teesside journey to success.' We want to celebrate the amazing, individual success stories of Teesside students.

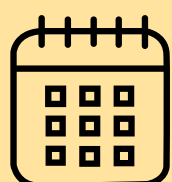

Events include:

- Meet the Student Success team
- Student Spotlight Presentations
- 'Are you the first in your family to come to Uni' – a focus group celebrating first generation students.
- PASS Leader debrief
- Student Success podcast launch

The conference is a great opportunity for students to develop skills, network with peers, and be inspired.

Students are invited to attend across the week, and for each event they attend they will be entered into a prize draw.
